AIDKA LICENCE PROCEDURE

To complete your AIDKA Licence proceed to www.aidka.com.au and select Licenses – 2023 Licence Application on the top menu bar; or go to <https://www.aidka.com.au/licence-redirect/>

This will direct you to the appropriate licence application, new or renewal.

New Licence applications must be done via the AIDKA website, using the instructions above. Renewal licence can be completed either through the AIDKA website or the AIDKA App.

Immediate payment is required for your AIDKA Licence through PayPal. Your licence application will not be completed until payment is received.

During the AIDKA Licensing process you will be required to select which club you have or wish to join. This prompts the system to send the club an email indicating that a member has applied for a licence and will be doing it through the selected club. Once the member has joined the club, the club will then notify the AIDKA Licensing Secretary that they have a valid membership. Only then will AIDKA process the licence.

PLEASE NOTE:

1. If you are a new member under the age of 18 years, proof of age must be attached (i.e. birth certificate or passport).
2. If you were a licence holder last year and you are upgrading your licence class, a copy of the licence grade endorsements page of your previous log book is required.
3. If you were a licence holder last year and there is no change to the grading of your licence class, no further documentation is required.
